### 2022: A Year of Return & God's Favor

Despite several Covid-19 restrictions and challenges, our summer mission teams were able to safely travel to Zambia and minister to BCA students, staff, and people of different villages nearby. The teams ministered to the students and community through vacation bible school, teacher's discipleship training, pastor's conference, sports camps, and village ministry & outreach.

In July, we had  
50 new kindergartners  
join BCA at both our  
North & South Campuses.

We met with their families and shared the gospel with them. Several parents came forward and put their faith in Jesus. The families and the community of George overall expressed their gratitude for what God is in doing in their village through BCA.

We are grateful to God for allowing the schools to fully reopen and continue the ministry of sharing the gospel. In a year of return to Zambia, God mightily used your faithful support to make all this possible.

*We thank you!*
